Conferences in **bold**: organized or co-organized by ISDE or its affiliates

In addition there were meetings of the executive board (and later of the directing board), also often in connection with conferences like for example the “ISDE DAY '97” held in Budapest, Hungary, 24-25 November, 1997, together with the Regional Conference of the International Society of Doctors for the Environment on “**Urban Environment and Health**”, organized by the Hungarian Society of Doctors for the Healthy Environment (as a member of ISDE and the Federation of the Hungarian Medical Societies and Associations) in collaboration with the Hungarian Branch of the Global Environmental Epidemiology Network (GEENET-Euro/Hu).
