Dear Hanns,

Thank you for doing this onerous work.

"I Philip Michael representing the Irish Doctors' Environmental Association as an affiliate of ISDE declare that the Irish Doctors' Environmental Association is still dedicated to the goals of ISDE and wishes to remain a member of that international network."

The contact details for IDEA are correct. I don't think that Colin is still the DEA representative?

Kind Regards

Philip

Dear Hanns,

I, Agguini Madjid, representative of the association for the protection of the environment and sustainable development APEDD – ISDE. We declare that APEDD Algeria - Algeria ISDE is always devoted to the objectives of ISDE and wishes to remain a member of this international network.

Be aware that APEDD Algeria is quite different from the association SAHH ambjent from Algeria . we create another association in our region that will replace APEDD and also adheres to the purpose of ISDE.

this association is called: Association des jeunes volontaire pour la protection et la sauvegarde de l'environnement AJVPSE

We want to participate in this meeting to expose our problems, our déffailances and intoduction of French and other languages in communications ISDE
